担担面

Our specialty is authentic modern-day Japanese ramen, featuring dishes showcasing its Chinese heritage.

The star of our menu is **Tantan Men (担担面)**, modern Japanese ramen version of spicy Sichuan Dandan noodles, popular in Tokyo. Menu also features **Chuka Soba (中華そば)**, a traditional light shoyu ramen, and

Taiwan Mazesoba (ませそば) soupless ramen - a recent Japanese invention with an unconventional name, showcasing Sichuan peppercorns ('ma') and chillies ('la') at their best.

We will take your orders at the table.
Please pay at the counter when you are finished with your meal.
